SUPREME PLASTIC SOLUTIONS FOR
HOTEL, CAFÉ & RESTAURANTS

GLASSFOREVER

We are a Danish company that develops innovative solutions within plastic glassware, our main focus being functionality, product safety and the environment – reuse & recycle!

Therefore our products are ideal for restaurants, cafés, bars and nightclubs. However, canteens, hotels, hospitals, institutions, schools and prisons also benefit greatly from using glassFORever's safe and light products.

Together with our customers, we will lead the way at developing new products and offer drinking glasses and other products that never break as well as accessories tailored to individual markets.

glassFORever is ISO 9001:2015 certificated.

GlassForEver is the environmentally friendly alternative to disposable products, disposable glasses and single-use cups. The future is recycling and reuse.
